

**DATESWEISER**

Custom

Client: Gaming company. Live Edge Table with center technology trough.

## Custom

Innovation is second nature to DatesWeiser. It's what powers the fresh design solutions that earn clients' confidence and meet their changing needs. Whether modifying a standard product or creating a unique piece, DatesWeiser understands that furniture making is about envisioning solutions both subtle and bold. A dedicated team will collaborate with you to develop a design that works for your space.

DatesWeiser furnishes environments with beautifully designed, timeless products. Each piece is crafted with meticulous attention to detail, incorporating technology in discreet, clever ways that never distract from the elegance or power of the design. Founded in 1982, DatesWeiser has been synonymous with craftsmanship and quality from the very start. We partner with clients in the creative process, drawing on a vast portfolio of materials, colors and flexible product lines, and a deep bench of ingenuity and technical support.

Cover: Client: Financial company. Boat Shaped Table with Imperial Danby Marble top, center technology field and microphones.

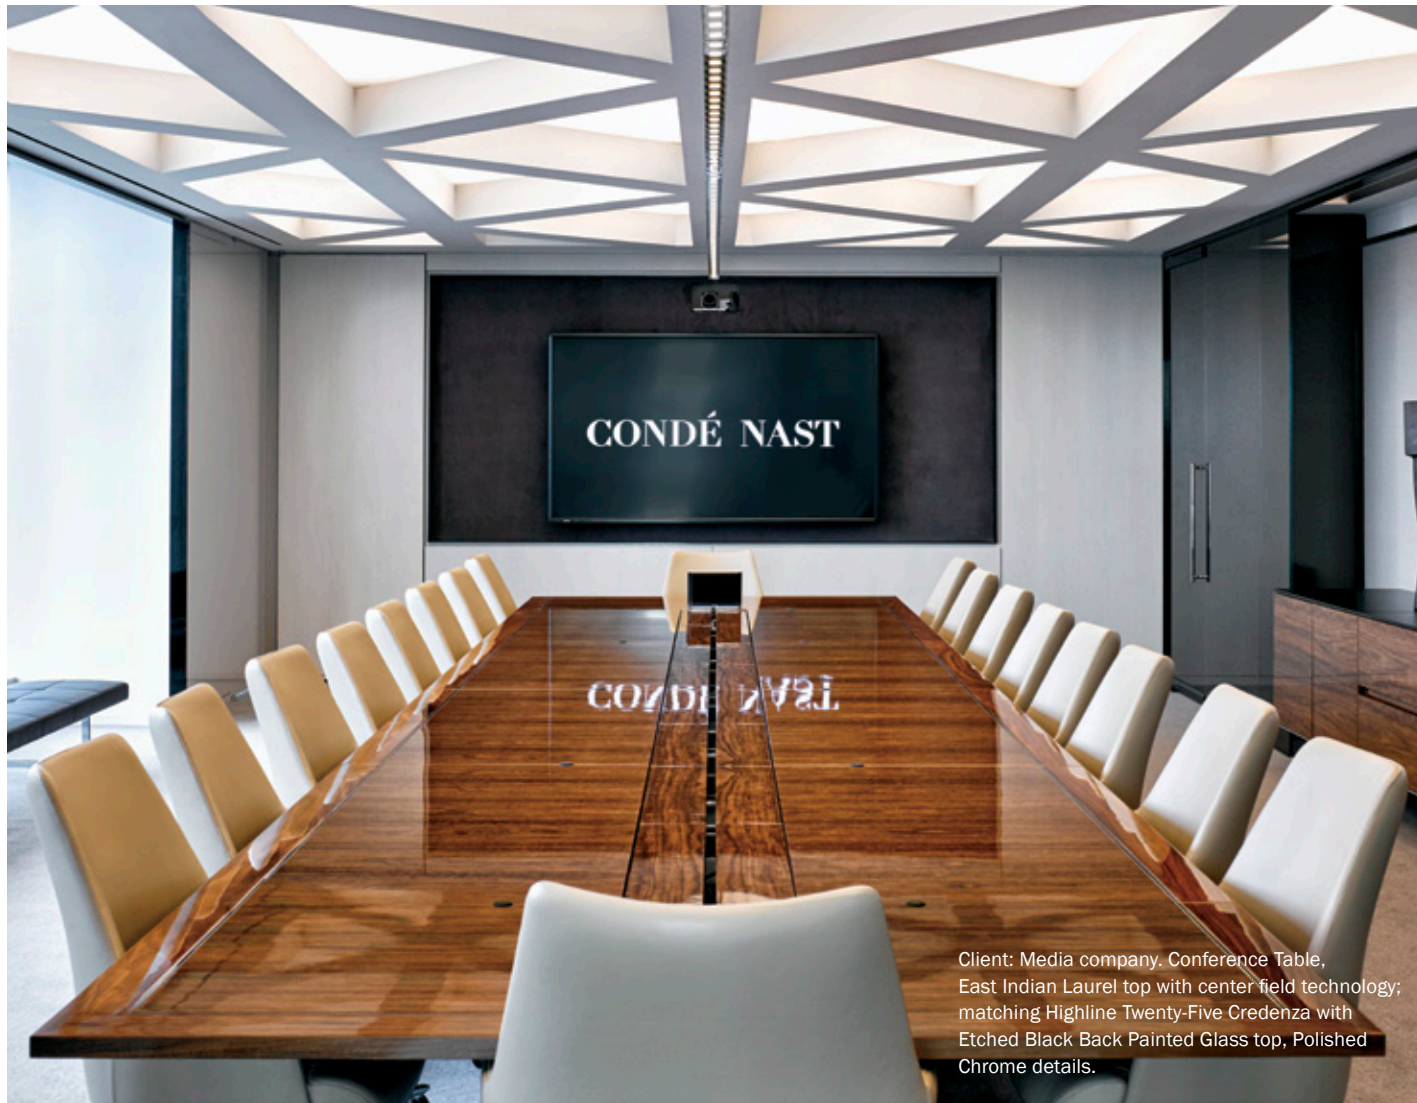

Client: Financial company. Executive Desk and Credenza Wall, Etched Back Painted Glass top, Polished Chrome base.

### Custom Solutions

We can tailor our standard offerings with special veneers, finishes, shapes and sizes, and flexible technology solutions, or we can create a completely new piece. From reception desks, lecterns and workstations to conference and storage pieces – the possibilities are infinite.
